

Regulation 20150303-1 re: timing of membership application receipt

1.1 Applications for membership shall not be submitted to the Board for consideration during the period between serving of a notice of general meeting and the date on which the general meeting is held. During such periods, submission of membership applications for Board consideration shall be deferred until the first regular monthly Board meeting following the general meeting, subject to the timing considerations detailed in 1.2.

1.2 Subject to the limitation set by 1.1, membership applications received, by CERES administration staff responsible for processing applications, prior to 5.00pm Wednesday in the week preceding a regular monthly Board meeting, shall be submitted for the Board's consideration at that Board meeting. Subject to 1.1, membership applications received after 5.00pm Wednesday in the week preceding a regular monthly Board meeting, but prior to that Board meeting being held, shall be submitted for the Board's consideration at the regular Board meeting in the following month.
